

1. **Constantine Elijah** "Observer-photographer, post-minimalist filmmaker and decent coffee appreciator. I'm holding the best conversation by staying quiet." insta: @costeek
2. **Glen Riches** "I am an East London artist who memorialises folklore, history and myth in stained glass." insta: @glen.riches
3. **Lydia Gardner** "I'm an artist whose mercurial nature means I try but fail at being anything else." insta: @lydiagardner1
4. **Karen Turner** "Art is a vehicle for social communication... Craft has a history of being a vehicle for social communication... I like to experiment with craft to develop my fine art practise..." insta: @turnerabit www.karenturnerabit.com
5. **Fleur Simon** "These paintings respond to the universal feelings of claustrophobia and agoraphobia experienced during lockdown, visualising open and closed in spaces through this glossy translucent medium" insta: @fleursimonart www.fleursimonart.com
6. **Neil Ferguson** "You cannot draw air. You can only draw in air." insta: @ferguson_neil
7. **Sue Armitage** "Came to art a bit late in life; but I'm making up for lost time." insta: @sue_armo
8. **Luke Ratz** "My art is simply a documentation of my imagination." insta: @luke.ratz lukeratz.com
9. **Richard Mittens** "I am a local artist." insta: @dickawittens
10. **Jenni Hodgson** "Primarily a painter working with abstracted, ambiguous and spontaneous compositions to create "otherworldliness of experience." insta: @jenniferhodgson7068
11. **Virginia Waterhouse** "I start and end with colour. Fascinated by how it affects our emotions." insta: @waterhousevirginia
12. **Epiphany Rose Clary Weatherall** "Epiphany is an artist from Essex who received her Fine Art degree in 2013." insta: @epiphanyrose1991
13. **Hannah Quigley** "Hannah, through theatre, film and photography documents stories of people & places, time & things." hannahquigley.weebly.com twitter: @hannahquigley
14. **Amy Dyer** "Every work I make is devoted to perseverance, evolution and growth, both mentally and physically." etsy shop: @AilithArt insta: @Ailith_Art
15. **Freya Moffat** "This papier mache figure is a product of lockdown and free evening standards: the only thing that came into our house!" insta: @freyamoffat
16. **Clare French** "References the Modernist grid as a possible, default outcome of her process-based practice." insta: @claremfrench
17. **Terry Bateman** "Art and nature." insta: @terrykitkat100
18. **Polly Bennett** "Polly is a landscape artist interested in "portraying the land, with the land." insta: @polben.art www.pollybennett.com
19. **Gabriel Andreu** "My crying is your crying, my joy is your joy, I love you mama". insta: @gabriel_andreu_ www.gabrielandreu.me
20. **Eddie Howard** "Dr Martens was made during the March Lockdown when shoes became redundant." insta: @eddie_howard_art
21. **Faye Haskins** "I'm a local artist specialising in printmaking. This is part of a series of prints created during lockdown exploring the strength and fragility of nature, alongside the free nature of this process and the control of it." insta: @fayehaskinsartist www.fayehaskins.com
22. **Maggie Learmonth** "Landscape landmark memory experience questions moment place belonging narrative poetry metaphor somewhere anywhere walking serendipity." insta: @maggielearmonth
23. **Lizzy Kelsey** "London-based artist questioning the nature of systems of control and the dynamics of gender relations." insta: @lizzykelsey

24. **Lawrence Blackman** "Lawrence pursues art as an ongoing process of understanding, with the work representing the residue of that act. Drawings represent a moment, presented as collections or as wall drawings. Assembled or altered objects from every day life act as propositions, as an attempt to draw meaning from the surrounding world, ourselves, and our motivations." insta: @lawrence_blackman
25. **Fredrix Vermin** "Comfort the disturbed and disturb the comfortable. Eat my pussy you sexy bitch." insta: @fredrix.vermin
26. **Helen Maguire** "Artist, Student, Bit of a Slag." insta: @docmartengranny
27. **Maciej Blazjewski** "The drawing is coming from my new body of work titled: remnants of magical thinking: a stand up comedian keeps repeating the same joke over and over again till it's not funny anymore thus he starts to weep. But you, please, laugh!"
insta: @blankandvoid maciejblazjewski.com
28. **Pat Lunch** "A South East London based artist/printmaker documenting the everyday, unnoticed and abandoned." insta: @pat.lunch patlunch.co.uk
29. **Pat Hayward** "Love art." insta: @pat_hayward
30. **Megan Elliott** "Elliott examines the myths and taboos perpetuated about womanhood and sexuality in her work." insta:@meganprestonart
31. **Seana Wilson** "I am a mixed media artist and use collage and paint in these new works which respond to tumultuous times.Collage has roots in Dadaism, Feminist art and DIY Zine making culture. The process of cutting up images and words and reassembling them to give new meaning is like giving voice to my inner monologue." insta: @seana_wilson
32. **Katya Kan** "Art represents the act of seeking, assembling and immortalising beauty."
insta: @__katyakan__
33. **Ninebob** "Look, what you made us do open up a can off whoop ass on you!"
insta: @nine_bob_rob
34. **Vivienne Gibbon** "Artist and maker" insta: @viviennegibbon
35. **Natalie Geografic** "Isolationist living in the underground." insta: @natgeoshow
